

Remarkably Versatile. Remarkably Clear.

Proudly Made In The USA

Clear Choice® is so versatile, it can be conveniently used for both fresh and processed applications - It's the only casing you need in your inventory.

EXPERTLY CRAFTED

Clear Choice casings deliver a premium product designed with the unique ability to closely mimic the desired qualities of natural casings - without the mess, fuss and cost.

Clear Choice has been expertly crafted for use on a wide variety of high speed filling machines. With added strength it provides great results for water, steam & smoke cooking, frying & grilling, and with excellent consistency it works conveniently for stuffing both fresh and processed applications.

Developed with both consumers and manufacturers in mind, Clear Choice is engineered to deliver exceptional "bite" characteristics, while maximizing efficiency and productivity for sausage producers with its versatility.
