

## RELEVANT FACT

### Viscofan acquires Transform Pack Inc. for 2 million US dollars

Tajonar. February 22, 2018

The Viscofan Group has signed a purchase agreement with a group of private investors and the New Brunswick province (Canada) for 2 million US\$. The transaction will be undertaken in cash.

Transform Pack is a pioneer company based in Moncton (Canada) that develops innovative products with value-added technology for packaging material that applies countless formulations to a wide range of packaging material and casings among which stand out those casings with Seasoned Transfer Technology to transfer ingredients such as species, flavours and colours to cold meats and other meat products. The Transform Pack products will add new dimensions of processing storing and preparing food products for our customers.

The incorporation of the Transform Pack's team and its innovative spirit, together with Viscofan's know-how, own product portfolio and commercial network will definitely open new opportunities and broaden the range of available solutions to the market, ultimately paving the way to allow the development of this type of products in a host of countries worldwide.
