

Our goals for employee care in Viscofan CZ

We combine human resources management with an individual approach to employees. We offer above-standard corporate benefits. Thanks to this, we are a sought-after employer with whom it pays to work.

Taking care of our employees is not just a phrase. We prove daily that investing in you is a priority for us. In this respect, we are at the absolute top of companies not only in southern Bohemia. We can offer self-realization and career growth regardless of education or age.

Thanks to this approach, our people value the opportunity to work for **Viscofan CZ**.
