TO THE NATIONAL SECURITIES MARKET COMMISSION

Viscofan, S.A. (the "**Company**"), in accordance with the provisions of Article 227 of Act 6/2023, of March 17, of the Securities Markets and Investment Services, and related provisions, hereby informs the market of the following:

OTHER RELEVANT INFORMATION

As a continuation of the communications of "Other Relevant Information" sent to this Commission on November 7 and 17, 2025 (with registration numbers 37,635 and 37,745, respectively) and in connection with (i) the execution of the share capital increase approved by the General Shareholders' Meeting of the Company held on April 29, 2025 (the "**Share Capital Increase**"); and (ii) the payment of the interim dividend approved by the Board of Directors at its meeting held on September 18, 2025 (the "**Interim Dividend**"), both within the framework of the second execution of the optional dividend system "*Viscofan Retribución Flexible*" corresponding to fiscal year 2025, we hereby inform you of the following:

(a) On December 4, 2025, the trading period for the free allocation rights (*derechos de asignación gratuita*) corresponding to the Share Capital Increase ended.

(b) During the period established for this purpose, the holders of 15,066,530 shares of the Company (representing 32.401% of the Company's share capital) have opted to receive the Interim Dividend. Therefore, the total gross amount of the Interim Dividend to be paid on December 17, 2025 is 22,343,663.99 euros, which results from multiplying the gross Interim Dividend amount per share (1.483 euros) by the number of shares in respect of which the holders have opted to receive the Interim Dividend (15,066,530).

(c) As a result of the foregoing, such shareholders have expressly waived 15,066,530 free allocation rights (*derechos de asignación gratuita*) and, therefore, the 430,472.28 new shares corresponding to such rights. Likewise, the payment of the Interim Dividend in respect of the amount not paid to the shareholders because they have opted (expressly or tacitly) for any of the remaining options under the optional dividend system "*Viscofan Retribución Flexible*" has been cancelled.

(d) Similarly, because the number of the Company's shares to be issued would be a fractional number, the Company has waived 25 free allotment rights (*derechos de asignación gratuita*) held by it - in addition to the 15 free allotment rights (*derechos de asignación gratuita*) already waived by the Company on November 17, 2025 - so that the number of new shares to be issued in the Share Capital Increase will be a whole number and not a fraction.

(e) Therefore, the definitive number of new ordinary shares with a par value of 0.70 euros per unit to be issued in the Share Capital Increase is 898,098, and the nominal amount of the Share Capital Increase is 628,668.60 euros.

(f) Likewise, as a consequence of the foregoing, a share capital decrease will be carried out through the redemption of 898,098 shares of treasury stock for a nominal amount of 628,668.60 euros (the "**Share Capital Decrease**"). The Share Capital Decrease will be

notarized simultaneously with the Share Capital Increase. Likewise, the delisting of the 898,098 shares from the Madrid, Barcelona and Bilbao Stock Exchanges, as well as the cancellation of the accounting records of such shares in Iberclear, will be requested.

(g) The share capital of the Company after the Share Capital Decrease and the Share Capital Increase remains unchanged at the amount of 32,550,000 euros established in Article 5 of the Bylaws, represented by 46,500,000 ordinary shares with a par value of 0.70 euros each, fully subscribed and paid up.

(h) It is expected that, subject to compliance with all legal requirements (and, in particular, verification of such compliance by the National Securities Market Commission), the new shares will be admitted to trading on the Madrid, Barcelona and Bilbao Stock Exchanges, through the Automated Quotation System (Continuous Market), on Thursday, December 18, 2025. In this regard, ordinary trading of the new shares is expected to begin on Friday, December 19, 2025.

For the purposes of Article 1.5(g) of Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market and repealing Directive 2003/71/EC (the "**2017/1129 Regulation**"), it is hereby noted that the above information supplements the content of the information document subject to the communication of "Other Relevant Information" sent last November 7, 2025 (with official registry number 37,635), relating to the second execution of the optional dividend system "*Viscofan Retribución Flexible*" for fiscal year 2025 (the "**Information Memorandum**"), as supplemented by virtue of the communication of "Other Relevant Information" sent on November 17, 2025 (with official registry number 37,745).

It is further noted that the Information Memorandum, as supplemented, constitutes the document referred to in Article 1.5(g) of the 2017/1129 Regulation, the publication of which makes the preparation and publication of a prospectus in connection with the Share Capital Increase unnecessary.

Accordingly, this communication forms part of the Information Document and, therefore, should be read in conjunction with such document.
